

Body / Chassis:

- Manufactured from high-strength steel by using special submerged welding machines. Chassis, frame and backbone structure are suitable for heavy-loads and difficult site conditions and designed for an esthetic appearance and durability
- Construction of trailer 30x50x50 box will consist of profiles
- 3mm thick outer coat."koremat" will be reinforced with fiberglass sheets
- Internal coating the desired color and pattern 3mm thick compact plate
- External corners will be complete profil anodized aluminum finish
- Moving left or right wall (since the expansion) will be the hydraulic system
- Trailer for 220 volts 7.5 kva at the bottom right-jen
- Right door opens to 270 degrees in the back double doors also will be the service door 800x1900mm
- 4000x2350x2650mm Office will be in front of the trailer.
18mm above ground water plywood

Axles :

- 2 axles, 9 ton capacity, Square section

King-Pin :

2" bolt-connected in DIN Standards; interchangeable with 3.5"

Brake System :

- Dual circuit brake hardware,
- 30" Service brake bellows
- 30x30" Emergency brake bellows
- Load balancing distribution valve,
- Automatic brake adjusters,
- EBS Brake System "WABCO"

Suspension system:

- Air -suspension "5813"
- 100 mm Z-type springs
- "WABCO" suspension valves
- Shock Absorbers

Electricity Hardware : "E Certified"

- 24 Volt Lighting System
- 7 pole distribution cable
- Electrical socket for lighting
- 4 x 2 side lamps
- Required hardware for traffic

<< All measures are declared with 2% margin >>

Dimensions :

- Inner Length : 13,600 mm
- Total Overall Width : 2.550 mm
- Since the expansion : 2,000 mm
- Internal height : 2.850 mm
- King pin height : 1.220 mm

Tires : Good year-Pirelli-Bridgestone 235 / 70 R 17.5" size, 8+1 units tubeless tires and steel rims

Landing Legs :

"S 2000 plus" model telescopic landing legs mechanical with two speeds,
Dynamic: 25 000 kg,Static: 50 000 kg

Painting: All steel parts are blasted, painted with two layers of anti-corrosive primer coats and top acrylic paint coat with up-to-date colours and design.

Standard Accessories :

- 1 x Spare tire holder
- Water tank
- Tool box
- Fire cabinet
- Parking chock with handle
- Rear bumper

Optionals:

For using in interior design lighting, tables, cabinet, air conditioning, equipment inside

REMARK : Our products are under 2 years local and one year international warranty against manufacturing defects.
